

Ceiling lamp

CAMILLUS – R62931835

incl. 1x SMD, 16W · 1x 1900lm, 3000K

- Dimmable via switch
- Ceiling mounting
- Not suitable for external dimmer
- IP44

The trend towards straight lines and clear forms is unbroken. The luminaires of the CAMILLUS series combine these design elements and make you an eye-catcher in your living area. The modern ceiling luminaires create a homely atmosphere and blend wonderfully into modernly designed living spaces. Using an integrated SWITCH dimmer, the brightness can also be adjusted with a conventional light switch in three stages (100%, 50%, 25%) to give your living space the desired ambience. Thanks to the IP44 protection class, it is protected against splashing water and thus well suited for damp rooms such as the bathroom. The cover of the luminaire is made of white acrylic with a high-quality edge in wood look. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Plastic · wood imitation
Acryl · White

Product dimensions

Width: 30cm
Height: 3cm
Depth: 30cm
Weight: 1,5kg

Technical data

Light source: SMD – LED (integrated)
Watt: 16W
Lumen: 1x 1900lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
